

Our summer conference is moving to a new location this year. The Pheasant Run Resort in St. Charles, IL is a comfortable facility that offers an excellent venue for an enjoyable time of fellowship, refreshing and edification.

This year's theme is *The Great Mystery*. We will examine various aspects of the special message committed to our trust, with emphasis on how that message is designed to impact our lives, families and culture. It is a grand privilege to hear men from across our nation — men experienced in doing the work of the ministry in their locations — give voice to "the riches of the glory of this mystery, which is Christ in you the hope of glory!"

I want to extend a personal invitation to join us. For more than three decades this family conference has impacted the lives of those who attend. This year will be the same. You don't want to miss this "vacation with an eternal purpose!"
